1188 James D. Hagood Highway | PO Box 1066 | South Boston, VA 24592
Office: (434) 572-4947

Job Title: Technical Inspector – Pure Stock & Hornets Divisions | **Start Date:** March 2023
Reports To: Director, Operations & Competition

South Boston Speedway is seeking a talented, dedicated, and hard-working individual to join its team as a technical inspector/official overseeing the Pure Stock and Hornets (four-cylinder race cars) divisions on race day.

DUTIES / RESPONSIBILITES:

- Perform technical inspections on all race vehicles entered in race events by following the South Boston Speedway Rule Book to ensure fair competition in Pure Stock and Hornet divisions.
- Work as main point of contact for Pure Stock and Hornet competitors on a race day.
- Work as race official during race events on pit road/garage area.
- Other duties as assigned.

REQUIREMENTS:

- Motorsports experience is a plus.
- Knowledge of four-cylinder cars/engines (such as those that race in the Pure Stock and Hornets divisions) is a must. For reference, you can view the current rules for those divisions at https://www.southbostonspeedway.com/competitor-info.
- Ability to learn and be a part of a team setting.
- Ability to use common tools and equipment.
- Ability to professionally interact with the public, including guests, vendors, contractors, fellow staff members, race teams, etc. in what can often be a tense setting.
- Effective time management, organization, and multi-tasking skills.
- Ability to lift materials.
- Ability to work outside in adverse weather conditions.
- Ability to work in what can be a fast-paced environment.
- Ability to quickly adjust and think through problems.
- Must be available to work weekends – most all events are on Saturdays.

TO APPLY:

- Send a relevant experience/knowledge, contact information and at least three references to chase@southbostonspeedway.com or to the South Boston Speedway Facebook page.
